SAVE THE DATE

for the upcoming Bank Guarantee Fund Conference 2024:
CRISIS MANAGEMENT IN THE FINANCIAL SYSTEM
– stairway to heaven or highway to hell?

In 2024, 10 years will have passed since the adoption of the BRR and DGS Directives, which clarified the rules for conducting anti-crisis activities in the EU banking sector. At the same time, 2024 will mark 10 years since the Financial Stability Board published guidelines on the functioning of an effective resolution regime for insurance and reinsurance undertakings and central counterparties. This seems to be the right moment to discuss the current issues connected with crisis management frameworks for financial system. Therefore, Bank Guarantee Fund – Polish deposit guarantee scheme and resolution authority – is inviting all crisis management and financial stability experts to the debates. The conference will be an event connecting representatives of the financial safety net authorities responsible for crisis management as well as representatives of financial institutions and academic society.

Sharing perspectives

Debates among practitioners about current challenges and benefits related to the functioning of crisis management framework will be enriched with presentations of academic research in this area.

We invite all practitioners to contribute to the fruitful debates as well as academic staff to submit paper proposals in the following areas:

- ✓ deposit guarantees, insurance guarantee systems or investor compensation systems as elements of the crisis management framework,
- ✓ crisis management in the banking, insurance and capital market (mainly CCP),
- ✓ financial stability as a goal of the crisis management framework,
- ✓ early warning of crisis events in the financial system,
- ✓ role of the financial safety net in crisis management.

We wait for the papers' proposals till **10th March 2024**. Proposals should be sent to:
